

# Dear Hunting Friends

I hope to see you all soon, just a reminder that the Dortmund show is about to start 29 January to 03 February 2013, I will be attending the show again this year although my booth number has changed, my booth is now Hall 7 stand E 23. Here is our start for the season, this 91 Lbs elephant was shot in our concession along the Gonarezhou National Park in Zimbabwe by a client from Sweden. I hope to see you all soon in Dortmund then in Africa.

Hunters best wishes ~ Carl Knight
