

BLOCK NG 49

A BOTSWANA COMMUNITY OWNED HUNTING AREA

NG49 hunting concession borders the Nxai Pan National Park, the Makgadikgadi National Park and also the Boteti River, the hunting concession is 240,000 hectares in extent with some magnificent elephant trophies available, buffalo, leopard and plains game are also available.

DESCRIPTION OF HUNTING AREA

The hunting area is block NG49 that is located 100km East of Maun in central Botswana, a short one-hour drive to camp on very good roads. The area is part of the Phudukudu community owned land, the local community benefit directly from hunting, via revenue, employment and meat from the hunts that all go to the locals.

This is unspoilt nature at its finest with no human movement in the area, 100% safari land/hunting area. There is an abundance of trophy elephant bulls around with 50 pounds and bigger per tusk being a real expectation, great number of plains game are found in NG49. The terrain is perfectly suited for any client with open plains and no rocky terrain. The location of the concession situated just below Chobe National Park, very close to Hwange National Park and within 200 kms from Matetsi make this concession very well located in big elephant territory. The hunting season is short: April/September, book your hunt well in advance please.

HUNT

We use well-equipped hunting vehicles with everything you need for the day, equipped with fridges, all drinks, snacks etc. We have excellent PH's and trackers that will guide your hunt and take care of you from the time you land until the time you fly home. The days hunting will typically start after an early breakfast, with a field lunch in the bush. We will return to the lodge in the evening for a great meal and well-deserved drinks and relax around the campfire. Mochaba taxidermy in Maun, will collect your trophy immediately after the hunt and make sure it is in pristine condition.
